GMEF ORGANIZATIONAL ASSESSMENT QUESTIONNAIRE- ENABLING MECHANISMS

The Enabling Mechanisms questionnaire consists of 23 questions that assess the progress of an organization's efforts in ensuring that mechanisms to mainstream the GAD perspective are established and fully functional.

- ◆ At the **Foundation Formation level**, the organization has established or reconstituted its GAD Focal Point System (GFPS) as a catalyst for gender mainstreaming. It is also at this level where the organization has conducted exploratory engagements with PCW and other GAD-related institutions and experts;
- ◆ At the **Installation of Strategic Mechanisms level**, other GAD mechanisms that will address the needs of the organization's internal and external clients are established, and there is a marked increase in the utilization of the GAD Budget.
- ◆ At the **GAD Application level**, the organization judiciously utilizes more than the minimum 5% GAD budget allocation while boasting of a fully functioning M&E System and has set-up a Knowledge Management System.
- ◆ At the **Commitment Enhancement and Institutionalization level**, the organization's enabling mechanisms can now track desired gender-related impacts and are able to produce GAD-related knowledge products; and
- ◆ At the **Replication and Innovation level**, the enabling mechanisms are recognized as models by other organizations and the whole budget of the organization is fully gender-responsive.

GUIDE FOR ANSWERING THE GMEF ORGANIZATIONAL ASSESSMENT QUESTIONNAIRES

1. Each item is marked with specific scores representing (1) YES; (2) PARTLY YES; and (3) NO. Indicate a score in the appropriate column to signify the degree to which your organization has complied with the GAD element required.
2. Under the MOV/Remarks column, indicate/attach the means of verification required or provide an explanation in support of your response. Failure to provide the appropriate MOVs could disregard/invalidate the “partly yes” or “fully yes” scores of the organization.
3. Transfer all the scores per questionnaire to the GMEF Score Sheet.

GMEF ORGANIZATIONAL ASSESSMENT QUESTIONNAIRE- PROGRAMS/ACTIVITIES/PROJECTS (PAPS)

The PAPS questionnaire consists of 30 questions that assess the organization's progress in mainstreaming GAD in all of its programs, activities and projects, whether through policy and/or plan formulation and issuances, capacitating the GFPS members, generating top-level management support on GAD and the establishment of enabling GAD mechanisms.

- ◆ At the **Foundation Formulation level**, the organization has expressed initial support to gender mainstreaming through conduct of GAD capacity development sessions for its GFPS members, top management and the rest of its employees. It has also involved clients to ensure that their gender issues are taken into account, while also engaging with PCW and relevant organizations and individual experts on GAD. It is also at this stage that the organization plans or sets-up a GAD corner containing GAD IEC materials or references for the use of its clients (internal and external).
- ◆ At the **Installation of Strategic Mechanisms level**, the organization already has a GAD agenda or strategic framework to guide its gender mainstreaming efforts through the implementation of its GAD Plan and Budget. Deepening sessions for GFPS members and concerned staff members are also conducted, especially on the application of gender analysis tools. These sessions are meant to further guide them on how to intensify gender mainstreaming efforts in the organization. Lastly, IEC materials are customized for the organization's use and a GAD section in the website is planned or set-up.
- ◆ At the **GAD Application level**, the organization ensures that the implementation of its GAD PAPS, especially those in the GAD Plan and Budget are monitored. External clients are also capacitated through relevant GAD sessions. Finally, a Knowledge Management (KM) system to ensure the transfer of knowledge on GAD is set-up.
- ◆ At the **Commitment Enhancement and Institutionalization level**, the organization ensures that monitoring of its GAD PAPS is sustained and its impacts evaluated. Sector-specific GAD capacity development sessions for both internal and external clients are also conducted, as well as periodic applications and re-application of gender analysis tools to ensure integration of GAD in the organization's PAPS. A sustainability action plan for GAD is also developed.
- ◆ At the **Replication and Innovation level**, the organization is now recognized as a learning hub for its noteworthy GAD efforts with convergence models resulting from its partnerships. GAD knowledge products and IEC materials produced by the organization are also utilized by other organizations as references or models to develop their own GAD-related materials.

GUIDE FOR ANSWERING THE GMEF ORGANIZATIONAL ASSESSMENT QUESTIONNAIRES

1. Each item is marked with specific scores representing (1) YES; (2) PARTLY YES; and (3) NO. Indicate a score in the appropriate column to signify the degree to which your organization has complied with the GAD element required.
2. Under the MOV/Remarks column, indicate/attach the means of verification required or provide an explanation in support of your response. Failure to provide the appropriate MOVs could disregard/invalidate the “partly yes” or “fully yes” scores of the organization.
3. Transfer all the scores per questionnaire to the GMEF Score Sheet.
