

<u>Activities</u>	<u>No. of Working Days</u>	<u>Target Schedule for 2022</u>	<u>Details</u>
Call Conference		26 January	Discussion of specific priority areas in the Call for Proposals with stakeholders/ prospective R&D researchers
Call for Proposals		1 – 31 March	30-day submission of Proposals in the DOST Project Management Information System (DPMIS)
Receipt of proposals from DOST (DPMIS)	1	1 April	Official transmittal of proposals from DOST-Special Projects Division (SPD)/DPMIS to the Council. This will be done online from the DPMIS to the PCIEERD Project Management Information System (PMIS).
Distribution of Proposals to Division	1	4 April	En banc session with the PCIEERD Management Team (PMT) to distribute proposals to concerned Divisions.
Checking of Eligibility of Proposals	7	5 - 13 April (14-15 April-Holiday)	Division Level Evaluation where proposals are evaluated (eligibility check and initial technical evaluation) by the Project Managers (PM)
PCIEERD Management Team (PMT) Evaluation	4	18 – 21 April	PMT deliberation of proposals that passed the eligibility check/division level. The PMT will evaluate the proposal's socio-economic merits, how the project/research results will be utilized by prospective end users/producers, marketability of the target outputs, and environmental impact.
Proponents to submit rejoinder	3	22 – 26 April	Duration for the Proponents to reply in the comments provided by the Division and/or PMT through submission of rejoinders in the DPMIS
Technical Panel (TP) Evaluation	4	27 – 29 April, 2 May	Technical Panel (invited external experts) evaluation of proposals that passed the PMT Level. The TP evaluation is focus on the technical merits of the proposal.
Proponents to submit rejoinder	3	3 – 5 May	Duration for the Proponents to send their answers to critical/non-critical comments of the TP and/or PMT through submission of rejoinder/s in the DPMIS
PMT final decision for proposals with PMT and TP critical comments	3	6 - 10 May	PMT Meeting to evaluate the rejoinder/s of the Proponents to answer critical comments
Endorsement to PCIEERD Governing Council (GC)	3	13 – 17 May	Period of endorsement/transmittal of proposals to GC and GC evaluation of proposals prior to the GC meeting
Governing Council (GC) Deliberation	2	19 - 20 May	GC deliberation of proposals approved by the PMT. This is the final stage for the evaluation of proposals for PCIEERD-GIA funding and the level of evaluation before EXECOM deliberation for proposals for DOST-GIA funding (recommendatory).
Endorsement to EXECOM	5	24 – 30 May	Period of endorsement/transmittal of GC-approved proposals to EXECOM for proposals intended for DOST-GIA funding.
EXECOM Deliberation	5	31 May, 1-3 & 6 June	This is the final stage for evaluation of proposals for DOST-GIA funding.
Announcement of Decision		8 June
